Course Description:

This course involves a lot of practical work in hair and beauty.

It will help you make decisions about further education, training and possible career choices in hair and beauty.

You will be shown how to work professionally, developing good communication and presentational skills. You will learn how to adopt healthy, safe and hygienic work practices in the salon and how to work co-operatively within a team.

You will learn how to style, colour and care for hair. You will learn how to look after your nails and complexion. You will increase your knowledge of products on the market and the correct way to choose and apply them.

To summarise you will learn about the following:

Introduction to Hair and Beauty

Present a Professional image

Hand Care

Create an Image Using Colour

Shampoo and Conditioning

Additional Information

Students following this Entry Level Year 10 course may choose to progress onto the Level 1 Hair and Beauty course offered at Hair @ the Academy in Year 11.
