Course Description: This course provides an introduction to this industry and involves a lot of practical work. You will learn how to:

Prepare and store food

Cook different meals

Use different cooking equipment safely

Make sure the kitchen and food service area is hygienic

Prepare tables for service

Serve food to customers

Meet health, safety and hygiene standards

Communicate at work and establish good working relationships

You will also keep a portfolio of work to help you achieve your qualification

Additional Information : This course is for those students who are completing the 2nd year of their two year catering course which they began in September 09 when they were

Year 10 students. The group will continue to have the opportunity to study “Hair & Beauty” at the Academy in the afternoon session as they did in Year 10.
