

3. ASSESSMENT

- 3.1 It is the provider's responsibility to make and pay for the exam entries. However if a student joins the course after October half term, the provider should enter the student but the school will be expected to pay the exam entry fee, including a late fee if applicable.
- 3.2 It is the school's responsibility to inform the provider if any of their students are entitled to additional support for the assessment process.
- 3.3 Schools should be informed of interim unit achievements as part of the reporting procedures.
- 3.4 Providers must inform schools of assessment outcomes as soon as they are available.
