

9. REPORTS AND PARENTS' EVENINGS

- 9.1 Providers are required to send formal reports to schools for distribution to parents/carers. These reports should include the results of any credit/unit assessments to date.
- 9.2 Reports for both Y10 and Y11 Students will be produced in both November and March.
- 9.3 Meetings with parents should be facilitated as necessary. Parents' evenings may be centrally organised by the L2W Co-ordinator: if providers are not able to attend then they should make their own alternative arrangements, by agreement.
